**We are One  
with Indonesia**

In the spirit of being one with the millions affected by the magnitude 7.5 earthquake and tsunami in Central Sulawesi in Indonesia, FAPA will start a donation drive by donating to the Indonesian Pharmacist Association (IAI) a sum of 2,000 USD in cash to help in their efforts to support the relief missions for the affected people and pharmacists in the area.

We also call for all our member associations to show solidarity by organizing donation drives and sending monetary support through IAI's bank account.

COURSE ONLINE

This year we have BIG change! All our courses are ONLINE.

“ *Explore Your World!* ”

A person with short dark hair, seen from the back, is looking at a wall covered in various design sketches, photos, and notes. The person is wearing a grey and black striped sweater. The wall is filled with papers, some with hand-drawn diagrams, some with photos of people and objects, and some with handwritten text. A large blue arrow graphic points from the left towards the center of the image.

Thank you for your listening!
